

## Message from the Head teacher:

Dear Parents / Carers

I would like to thank each and everyone of you for your support and engagement with the teachers throughout this lockdown. Also, thank you for completing the online survey about returning to school, which has been of great help in information gathering to assist with starting to open the school.

It is a joy to see that our students are engaging well on Google classroom and happily engaging with their home learning.

I hope you all have a lovely weekend.

Stay Home, Stay Safe

Kind Regards,

Mary Bickmore

## Allergies and Intolerances

We sent out a Parentmail Form regarding Allergies and Intolerances on Wednesday. We would appreciate it if you could complete this form and submit it no later than 19th June. This is so that we can ensure all staff are aware of any allergies and intolerances that your child may have, or may be under investigation for. If you are unable to access this form, you can email the school office and we will make other arrangements to obtain the information.

If you wish to tell us about any new dietary requirements or preferences that your child has, then please put this information in the home/school communication book so that the teacher is aware and this will be communicated to the relevant people as necessary (kitchen, medical etc).

Thank you for your assistance.

## PPE at School

We welcomed back some of our students on the 8th of June. These children are presently attending for a shorter week of Monday to Thursday, on a reduced timetable. Where we have risk assessed as safe to do so, we will be slowly and gradually inviting more children back to school. The school is well stocked and prepared with a selection of PPE to wear as and when the need arises. Students and staff have the option of wearing this at all times. Here is our very own Karen Warner earlier this week, doing a great job of modelling a visor, apron and gloves.

## Examinations

We are so proud of our senior students for their hard work and dedication towards their studies. This year the following qualifications have been successfully awarded;

### Maths

- Entry 1 achieved by 4 Pupils
- Entry 2 achieved by 2 pupils
- Entry 3 achieved by 8 pupils
- Functional Skills achieved by 1 pupil

### English

- Entry 1 achieved by 4 Pupils
- Entry 2 achieved by 2 pupils
- Entry 3 achieved by 5 pupils
- Functional Skills achieved by 3 pupils

## Wash Your Hands

As I am sure you are aware, the Government advice and guidance on preventing the spread of Coronavirus, is for us all to ensure that we wash our hands, for at least 20 seconds. With the lockdown starting to ease this advice is still very relevant. A good way to help children to judge the right amount of time, can be to sing 'Happy Birthday' twice, before rinsing the soap. Please encourage your child to do this at home, as it is good practice and will encourage them to be more independent. We will continue to ensure that pupils wash their hands regularly, along with providing hand washing visuals, we will closely monitor their use of soap and water.

---

## A Royal Birthday

Prince Philip turned 99 years old, on 10th June 2020.

I wonder if next year he will get a telegram from his wife, the Queen of England?

---

## Bike Week 2020

Bike Week 2020 will be online from 6th to 14th June.

At Lime Academy Forest Approach our Bikeability classes are very popular amongst our students. We have a wide selection of bikes and trikes, including our brand new bike with a trailer attached to the front, to enable wheelchair users to access this activity, meaning that our Bikeability sessions are now fully inclusive.

We realise in these uncertain times, helping people to come together to ride may not be possible, so we're holding a series of fun Bike Week events online this June.

Cycling remains a great way to keep fit and active along with being a great way to maintain positive mental health and well-being.
