Message from the Head teacher:

It has been another lovely week at Forest Approach, although unfortunately the weather has turned wet and chilly. Our students have been getting outside as much as possible and I would like to remind you to, please send in a suitable coat (with your child's name in) for the weather.

Our students have been involved in some great fundraising activities including Jeans for Genes and making tasty treats.

You can see the pictures below of the homemade delights that the staff have been enjoying.

Please see read the information contained within this newsletter about Evidence for Learning.

Have a wonderful weekend.
