Putting Children First

COVID 19 Update 23.10.20

We were pleased to welcome back our senior students on the 20th October. Following the 14 day isolation, our risk assessment has been reviewed and safety features enhanced, to ensure that social distancing is robust.

Although all the measures are put in place, we cannot afford to be complacent, particularly in light of the increasing infection levels currently being seen both locally and further afield. Our Covid risk assessment will continually be reviewed in response to the changing climate, and where appropriate changes will be made.

Should any pupil test positive for Covid over the half term holiday please ensure that the school is advised immediately, as we will need to relay this information with the other individuals in your child's bubble and ask that they self-isolate in accordance with government guidance.

Whilst the school is closed please advise Laura Clements on 07736 044 222 of any positive Covid test results.

Our thanks go to all parents and carers for working with the school to keep our vulnerable school community safe during what continues to be an extremely challenging and difficult time.
